FAMILY TREE

Please draw a family tree showing your spouse, your descendants, and your descendants' current spouses, if any. If you or your spouse have children from a prior relationship, please draw a separate line between the parent and the child.

If you think you may want to name your parents, siblings, or other family members either as beneficiaries or as helpers (i.e., executor, financial agent, healthcare agent, funeral agent, etc.), please include them as well. For each individual included on the family tree, please indicate their current age and whether they have any special needs or whether you have any other special concerns about them.
